

The Discovery Museum, Inc.

Position Title: Summer Programs Teacher

Reports To: Director of Education and Strategy

Status: Part-Time, Temporary (June-August) – 30+ hours per week

Position Overview

The Summer Programs Teacher provides highly interactive educational experiences and lessons to The Discovery Science Center's summer programs participants. The Teacher delivers programs onsite in the classrooms and is responsible for the management of students and counselors, and for the preparation of classroom activities for students throughout summer programs by weekly session.

Major Tasks and Responsibilities

- Prepare and teach onsite classroom Learning Labs and workshops for students
- Perform the tasks involved with the set-up and breakdown of programs
- Prepare weekly newsletter reports to parents regarding classroom activities
- Discuss behavioral issues with parents/guardians as necessary
- Sign all classroom accident reports and report all accidents to Director of Education
- Ensure that all programs are performed in a manner that is consistent with the Science Center's approach to STEM teaching and learning
- Other STEM Learning Programs tasks as assigned

Experience and Qualifications

- BA/BS preferred, masters preferred
- Experience with children's programs a must
- Inquiry-based STEM teaching experience and/or teaching experience a plus
- Self-motivated, dynamic, able to work in a team environment, demonstrate a passion for STEM teaching and learning, comfortable speaking in front of large groups, and willing to teach audiences of all ages
- Valid driver's license in good standing preferred
- Bilingual/multilingual a plus

About Discovery Museum, Inc.:

The Discovery Museum provides dynamic, hands-on STEM experiences that resonate with the innate curiosity, learning desire, and spirit of exploration of our guests. We encourage young learners to ask questions, solve problems, and engineer solutions today so they are better prepared to embrace the challenges of tomorrow.

It is the policy of Discovery Museum to provide equal employment opportunity (EEO) to all persons regardless of age, color, national origin, citizenship status, physical or mental disability, race,
